RE: Finding of No Historic Properties Affected
Baldwin Wastewater Facility Improvements
Baldwin, Wisconsin, St. Croix County

Under Rural Utility Service (RUS), the Water and Environmental Program is considering funding an application from The Village of Baldwin to construct Wastewater Facility Improvements (Project). Project location information, including a map(s), is enclosed.

RUS has determined that this Project is an undertaking subject to review under Section 106 of the National Historic Preservation Act, 54 U.S.C. § 300101 et seq., and its implementing regulations, 36 CFR Part 800 (Section 106 review).

Based on review of the project documentation provided by The Village of Baldwin, RUS has determined that a finding of no historic properties affected is appropriate for this undertaking. This finding will conclude Section 106 review as it agrees with the recommendations of the Village of Baldwin, Drew Barnhart, State Historic Preservation Office concurrence of May 18, 2020 and Tribal Historical Preservation Officer's concurrences of April 20, 2021 and May 17, 2021.

RUS will include an inadvertent discovery provision, developed in accordance with 36 CFR § 800.13(b) and (c), as a condition of obligation in order to address any historic properties which might be inadvertently discovered or affected during project construction.

Should you have any questions, please contact Joseph M. Dorava 5417 Clem's Way Stevens Point WI 54482 715-345-7649.

Sincerely,

Joseph M. Dorava, Wisconsin State Environmental Coordinator
